The Square Yard and Goodfellow®

Offering the Finest Hardwood Flooring

Summit, NJ – April 18, 2008. *The Square Yard* is proud to offer the finest hardwood flooring from Goodfellow. Supplying wood products since 1898, the people at Goodfellow are "The Wood Specialists." Their ability to adapt to customer needs has earned them a reputation as one of the best suppliers of wood products in North America. Their expertise and flexibility have resulted in solid working relationships with their customers. Goodfellow has built the resources necessary to deliver quality products that meet their customer's needs. At Goodfellow every stage of processing raw wood into lumber is strictly controlled: Selection, drying, processing, pressure treating, packaging and delivery. Goodfellow has long been the leader in the processing and distribution of exotic woods, Douglas fir, construction timber, cedar, pine and hardwoods. They offer a wide range of unfinished and pre-finished hardwood flooring, including **Pollmeier German Steamed Beech Flooring** and **Goodfellow Original**, in a stunning range of colors.

The Richness of Nature at Your Feet

A quality hardwood floor adds warmth and elegance and increases the value of your home. Furthermore, it strengthens and stabilizes the structure of your home. Because of its hardness and ease of maintenance, wood flooring allows you to have the healthiest of living environments. Goodfellow offers a full range of wood species, grades, colors, sizes and finishes to meet the needs of even the most discerning wood flooring buyer. Each floor they deliver reflects the many years of development in state-of-the-art production. Goodfellow's Millennium Finish is the most wear-resistant finish on the market.

Your satisfaction is their primary goal and they, along The Square Yard, are dedicated to offering you the very best service and quality.

The Square Yard, located on Springfield Ave. in Summit, NJ, is enjoying its 35th year as one of the premier design centers on the east coast.
